

## Sacramento InfraGard Chapter's Security and Safety Workshop

### Addressing Violence in Faith-Based Congregations

January 30<sup>th</sup>, 2020

6:30pm- 8:30pm

**\*\*\* NEW LOCATION \*\*\***

Building 600

3720 Dudley Blvd. McClellan Park, CA 95652

Please join InfraGard leaders, mentors, and peers for an evening discussing things your organization can start doing now to secure your facilities. InfraGard will be introducing a new sub-sector focused solely on faith-based organizations in your community.

The agenda will include a review by the FBI of indicators of attacks, presentations by law enforcement, and infrastructure protection assessors on how to prevent and deter acts of violence to houses of worship, and access to vulnerability assessments/grants/other resources.

Open to faith-based leaders and security team members of all faith-based organizations.
